

Proportional representation:

# Petition to demand that every vote count

We the undersigned residents of Canada draw the attention of the House to the following:

- **THAT** in a democracy, every vote, and every voter, should count;
- **THAT** frequently, our broken electoral system allows a party to win 100% of the power with less than 40% of the vote—and many Canadians aren't heard;
- **THAT** the Liberal government has promised to change our electoral system, but time is running out if we want a fairer system in place before the next federal election;

**THEREFORE, we call on the Government of Canada to adopt a fairer, proportional voting system—so that the Parliament of Canada actually reflects how electors voted.**
