Petition: Action needed to reduce income inequality in Canada.

We, the undersigned residents of Canada draw the attention of the House to the following:

- THAT the gap between the wealthy and everyone else in Canada is growing faster and wider than in most of the developed world;
- **THAT** the top 100 Canadian income earners hold as much wealth as the bottom 10 million;

THEREFORE, we call on the Government of Canada to take action to reduce income inequality by implementing a \$15/hour federal minimum wage; asking corporations to pay their fair share; and stopping unfair trade deals that threaten jobs and drive down wages.
